If you FEEL SHAKING or GET AN ALERT...

Indoors?

DROP!

COVER!

HOLD ON!

Outdoors?

**MOVE TO AN
OPEN SPACE**

**DROP!
COVER!**

HOLD ON!

Driving?

**SLOW
DOWN**

**PULL OVER,
STOP**

**STAY
INSIDE!**

Using a
walker?

LOCK!

COVER!

HOLD ON!

Using a
wheelchair?

LOCK!

COVER!

HOLD ON!

On the Coast? Wait for shaking to stop, then ...

**Go to
high ground
or inland
immediately!**

**Stay there until
local officials
say it's safe to
return.**

**The shaking is your tsunami warning.
Tsunami waves may arrive for hours.**
