Custom 5X7 Station Sticker

Quick Print Specs

Final sticker size	7X5
Shape	Rectangle with rounded corners
Color	Full color / CMYK

Which File Should I Use?

File	Notes
PDF	Use if your print shop asks for a PDF or print-ready artwork file.
PNG	Use if the vendor upload tool asks for an image file, or if PNG works better with their online sticker template.

Important Vendor Note

Sticker templates are not universal. This artwork was created as a 7x5 sticker, but printing requirements may vary depending on whether it is printed as a roll, individual sticker, label, or sticker sheet. Work with your print shop or online vendor to confirm the final sticker size, preferred file type, material, finish, and template upload requirements.

Printer Communication Recommendations

Size: 7X5” final size
Material: Outdoor-grade white vinyl with permanent, weather-resistant adhesive
Finish: Matte or satin with UV-protective laminate
Use: Outdoors; exposed to sunlight, rain, moisture, and temperature changes
Durability: Waterproof, fade-resistant, and suitable for long-term outdoor use

Suggested note to include:

Please print this artwork as a 7" × 5" outdoor-grade vinyl sticker, full color/CMYK, with permanent weather-resistant adhesive and a UV-protective matte or satin laminate. The sticker should be waterproof, fade-resistant, and durable enough to withstand prolonged outdoor exposure to sunlight, rain, and varying temperatures.

Please verify the artwork dimensions and confirm the recommended materials and expected outdoor lifespan before printing.
